

The Heart of the matter...

"The way of the heart has to do with what is fundamental to who we are. It has to do with what moves and motivates us. It has to do with our greatest passions. And since the issues of faith cannot be peripheral to who we are, but are to be central, faith and spirituality are heart matters. They lie at the very core of our identity. It is for this reason the Jesus invites us to love God and our neighbour with all of our heart"

Charles Ringma

Magill Church of Christ... invites you to join us for a seven week teaching series exploring the core of our inner lives. "The Heart of the matter" follows Jesus' teaching in John's gospel coupled with Charles Ringma's "The Seeking Heart", a book of brief reflections based on the spiritual writings of Henri Nouwen.
